Hi Dave,

This is a brand new meeting just introduced to Harry last week.
He had told Dante about it, but perhaps not you?
Yes, it involves other OUs besides OU-8.

Can you make it happen in your schedule?

Thanks,
Jeryl

Jeryl,
When did we plan this meeting?
I don't recall discussing it.
Is it OU8 only or all OUs?
Thanks,

Hi,

We had tentatively planned on April 27th for a discussion on site-wide efficiencies between NDEP, EPA and ARC technical teams.

For EPA, that's you guys and Harry.

Dante is on leave on 4/27, so we are looking at either 4/25 or 4/26 for you guys to travel to Carson City for a 3-4 hr discussion.

Is one day or the other better for you?

Let me know as soon as you can and we will schedule a meeting room here at NDEP.

Thanks,

Jeryl
